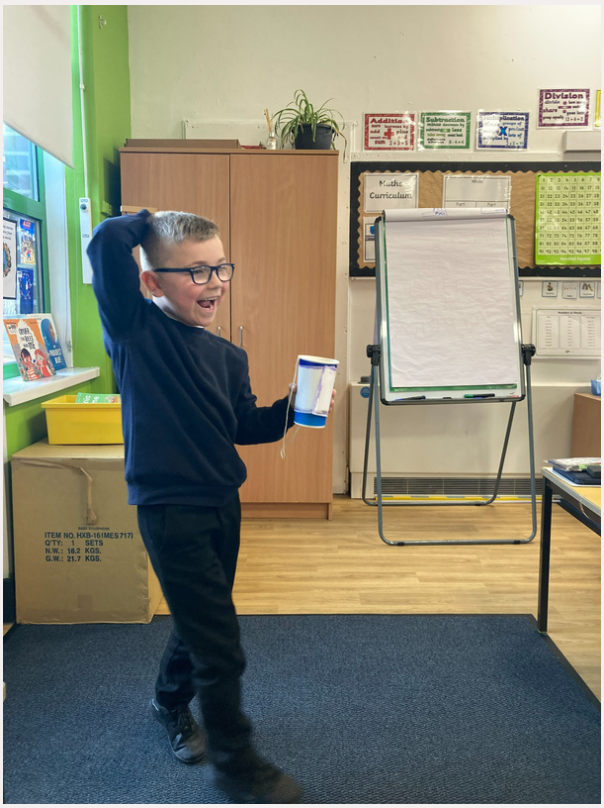
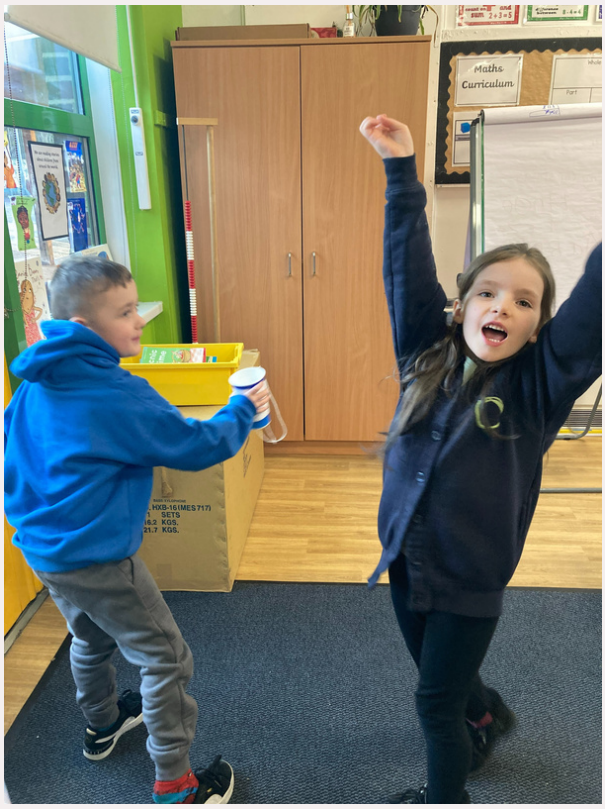
Cooking Lessons

Year 5 have been learning how to cook some healthy meals with the Square Food Foundation. Last week we learnt how to chop vegetables safely and how to use an induction hob. We all took home a lovely dish of vegetables and pasta to share with our families. This week we learned how to make healthy pizza!

Year 2 Victorian Toys

In Year 2 we have been learning about the Victorians. We then worked together to build ball and rope toys that were popular back in Victorian times. Everyone loved it and we're so proud of how well everyone worked together. Well done Year 2!





Year 6 Drugs Course

Year 6 had a visit from a specialist who came to educate us on the dangers of drugs and alcohol. We learned why drugs are bad for us and what can happen if we take them. The whole class was very mature and listened amazingly throughout!
