

Welcome to Reception!

Hello Nursery children! You are getting so big now, and you are nearly ready to come to Reception in September! I hope you are excited!

I am Mrs Gibson and I will be teaching in Saffron class!

I am looking forward to getting to know you and help you with your learning in Reception. There will be lots of learning together, singing, fun and laughter along the way! I love to read stories and have lots of picture books to share with you.

We are going to have lots of fun together in our class and in our outdoor classroom. We will learn about lots of important things that happen around the world, read lots of special stories together, enjoy Dough Disco and have fun playing games in P.E!

You are going to be amazing in Reception and learn so much. We even put on a special performance at Christmas for all the families to come and see where you sing and dress up! What an exciting year in Reception!

I hope you have a lovely Summer and I look forward to meeting you soon! I hope you enjoy your new school bag and all the goodies inside to keep you busy over the summer break. I wonder how many things you can tick off on the Independent Challenge already!

See you soon, from Mrs Gibson
